

2025 CONSOLIDATED Primary Candidate Survey

Please **complete this survey no later than 12/20/24**. Please contact Bruce Johnson, Chairman at 847-668-8516 if you have any questions.

Thank you for your desire to serve. The Algonquin Township Republican Party wants to help you reach our voters. When our voters don't know who to vote for they often don't vote as seen by the low number of voter turn out during Primary Elections. The Democratic Party are NOT having a Primary Election. They are selecting their Candidates in a Caucus. That's why we created this Survey. We'll be posting your answers on our website www.algtwpgop.org and contacting our voters to access the website to help them determine who to vote for.

We invite all Candidates to complete the survey and help us inform our voters. The survey allows voters to view how candidates intend to govern—information they need to feel confident they're picking the best person for the role.

Minimally, please answer the first four questions:

- **Who are you? Tell us about yourself in 200 words or less.**
- **What are three goals that you want to achieve if elected?**
- **What skills and experience do you bring to the office?**
- **What would you do to bring greater financial transparency and accountability to government?**

Candidates can decide which additional questions to answer. We believe that the first four questions illustrate why a candidate is running and what they hope to achieve in office.

Thank-you for completing the survey. It helps us to help you inform our voters.

Millie Medendorp

1. Who are you? Tell us about yourself in 200 words or less. *

My family and I have been residents of Algonquin Township for 20 years. I am currently a Trustee for the Township.

2. What are three goals that you want to achieve if elected? *

As Clerk I will make sure there is more transparency by ensuring all public documents are easily available to all constituents online via the Township website; I will work to ensure all public meetings are documented and available to the community and ensure I keep current and accurate records of all Township documents.

3. What skills and experience do you bring to the office? *

I have 3 1/2 years experience as a Township Trustee.

4. Why are you running for the position? *

During my past 3 1/2 years on the Board I have learned a lot about how the Township works and would like to continue to serve the constituents.

5. What would you do to bring greater financial transparency and accountability to government?

Ensure all public documents are maintained and easily accessible to the community via the Township website.

6. What are the primary concerns being expressed by voters and where do you stand on these issues?

I feel like most constituents do not understand the role of the Township in their community and what services are offered. I feel that as the Township Clerk I will do my best to help communicate these Township services.
